

12.be fabulous

“Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. We ask ourselves, Who am I to be brilliant, gorgeous, talented, fabulous? Actually, who are you not to be? We were born to make manifest the glory of God that is within us. And as we let our own light shine, we unconsciously give other people permission to do the same.” —Marianne Williamson

If you don't feel particularly fabulous at the moment, think about what would make you feel fabulous. So, why aren't you doing that?

Look around. Are you surrounding yourself with people who reflect the best of you? If not, you don't have to up and dump all your friends. Be your own fabulous self and they will either step up to the plate of fabulousness with you or run away and hide of their own volition. That's none of your business. You're too busy being your fabulous self to chase after them.

They'll catch on, eventually.
